

RED LINE IS THE CUT LINE

The diagram shows a page layout with three main lines: a red line (cut line), a blue line (safety line), and a green line (fold line). The red line is the outermost boundary, the blue line is inside it, and the green line is the innermost boundary. Arrows point from the text labels to their respective lines. The red line is at the top and bottom edges. The blue line is at the left and right edges. The green line is a vertical line down the center. The text 'RED LINE IS THE CUT LINE' is at the top center, 'BLUE LINE IS THE SAFETY LINE' is in the middle, and 'GREEN LINES ARE THE FOLD LINES' is on the left side. At the bottom, the finished size and size with bleed are listed. The main title 'Design All The Way To The Outside' is at the very bottom in red.
